CADISON Training

Requirements and registration

Group Training

The group training takes place in the premises of ITandFactory GmbH in Bad Soden. The contents of the trainings are corresponding with the training program of ITandFactory GmbH. The participants consist of employees of different enterprises.

Company Training

The company training takes place either in the premises of a client or ITandFactory GmbH in Bad Soden, alternatively in its other GmbH offices. Training contents can be adapted individually to the enterprise needs.

Generally

For onsite trainings additional travelling expenses will be charged by effort (e.g. overnight accommodation and expenses). For offsite trainings lunch and beverages as well as the use of a CAD PC workstation for 2 participants is included in the price.

Training conditions

The general training conditions of the ITandFactory GmbH apply.

Registrations

Please register with the attached form for the training. Registrations are considered in principle in the order of arrival. If trainings should be fully booked, then we will offer you a separate date. The obligatory registration must be present at ITandFactory GmbH at least 14 calendar days prior to the training.

Announcing confirmation

You will receive at least 14 calendar days before the beginning of the training a training confirmation.

Cancellation

A cancellation of a training is free, if it reaches us in writing at least 14 calendar days prior to the training. If the cancellations reaches us after these 14 days, 50 % of the training fees will be charged. If you withdraw thereafter or do not appear to the training, the fee in full height is to be paid. If the minimum number of 3 participants should not register (14 calendar days before the beginning), we reserve ourselves the right to call off and/or shift the training on to another date. Training fees already paid will be credited in this case or returned when desired. Maximally 6 persons can participate in trainings in Bad Soden.
